

Here is a great rebar tying tool for double loop wire ties that you should own or sell...

Private labeling is available upon request.

- **Very Affordable to Own and Operate**
- **Safe and Simple - Easy to Use**
- **No Specialized Skill Required**
- **8" Reach for Getting in Tight Areas**
- **Used with a Corded or Cordless Drill**
- **Reduces the Risk of Carpal Tunnel**

Simply use double loop wire ties and a power drill to make secure junctions between reinforcing bars!
