No Generator, No Electrical Outlet, No Problem.

DIAMOND®

**DCC-16LY
 12V Cordless
 Rebar Cutter**

"Easily cuts up to #5 (5/8") grade 60 rebar anywhere"

Another quality product from **DIAMOND**. This portable cordless rebar cutter will safely and cleanly cut rebar up to 5/8" diameter grade 60 rebar. This self-contained electric/hydraulic unit will also cut other items like chain, bolts and rod. The DCC-16LY can be used in rescue operations, cut in close proximity to a trapped victim, does not throw sparks or heat. The cutting head quickly rotates up to 360-degrees for using in vertical, horizontal or difficult applications. This tool ships complete with (2) each 12 volt DC batteries, 50-minute fast battery charger, removable side handle, steel carrying case and a tool kit. Backed up by our one-year warranty.
